— ACQUARELLA

There are materials that will never go out of fashion, especially if we are talking about ceramics, clay, one of the oldest elements used by man and in art.

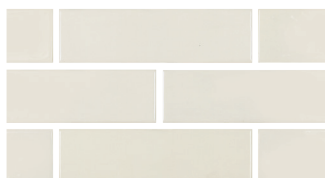

Although this material has traditionally been present in rustic settings, we can also find it in more contemporary spaces, in combination with other finishes. The secret of its success? Its timeless beauty, the result of a naturalness without limits.

Hay materiales que no pasaran nunca de moda, sobre todo si hablamos, en cerámica, del barro, uno de los elementos más antiguos utilizados por el hombre y en el arte.

Aunque este material ha estado presente tradicionalmente en ambientes rústicos, también podemos encontrarlo en espacios más contemporáneos, en combinación con otros acabados. ¿El secreto de su éxito? Su belleza atemporal, fruto de una naturalidad sin límites.
